2. Octroi. The estimate under this head includes Rs: 500 expected from Kerosine oil and Tobacco in Tumkur ordered to be brought under taxation in Government Proceedings of 24th January 1896, Nos. 8526-7 & 778-95 and is passed

The estimate under "Sheep and Goats" in the Tumkur Town letter to entered under Octroi is now brought under X Miscellaneous on the ground that the tax levied is a fee on each head of animals slaughtered. The item would more appropriately find a place

under III License Receipts

(b) other License to which head it is accordingly transferred.

3. II House Tax.

The increase expected under this head in Lunkuru from the western extension of the town and from the proposed inclusion of a village within its limits is retained, pending the issue of final orders in regard to the last mentioned ~~inclusion of the village~~.

With reference to the increase in Kolavanaballi expected by taxing vacant building sites, a separate reference should be submitted, stating the principle upon which house sites are taxed

Please see para 2 of 28/6/95 No. 2470-S where similar was called for

Ct 166

in this and other towns and the sums annually realized or expected to be realized from such taxation.

(4) VII ~~IX~~ Rohakurfa. The variations in the estimates of the several towns under the sub heads of "Shop", "Loom" and "Oil mill" taxes are stated to have been based upon the Jamabandi accounts for 1895-96, the increase under the remaining sub head of "Carts", being due to agricultural carts having been newly brought under taxation. The estimates are sanctioned

(5) III - License Receipts.

(a) Other Licenses. A sum

⊕ Pro no 24641-50 D / R.F 245-92 / 25/6/95

of Rs: 300/- will be
entered under this head
in the budget of Tumkur
on account of the slaughter
house fees referred
to in para 2 supra.

(6) ~~I~~ Miscellaneous. Under
(a) sale of houses and
lands, there is a large ^ in Tumkur
decrease of 5'850, the
reason being that in
1895-96 a large amount
was expected by the sale
of sites in the Southern
Extension which is not
likely to recur in 1896-97.
The estimate is approved.
The omission of any estimate
under "Sale of manure"
in Tumkere with reference
to the fact that in 1895-96

Rs 5 were estimated for from this source, requires explanation. For reasons given in para 2 above the estimate of Rs: 300/- under "Slaughter house fees" will be transferred to ~~Otts~~ III License receipts. The sum payable by the P W. D. to the Tumkur Municipality for the maintenance of the Provincial and Distt. Trunk roads within the Municipal limits is Rs: 1,515/-, whereas the amount entered in the Budget of the town is Rs: 1,532/- or Rs: 17/- more. The source from which the excess is expected should be stated.

The revision proposed in the subsisting scale of servants at Holavanalal was sanctioned in Govt Proceedings dt 12th November 1895, No. 5716-7 dt 166-94; but no special sanction has been obtained in respect of any of the increases above proposed. The proposals however were

be sanctioned as a special case with the remark that no increase or additional hand should in future be provided for in the annual budget without the previous sanction of Government obtained on a separate reference as required in Government Proceedings of 8th Dec 89 No. 6861-70/15-7.

(10) VII Lighting. Lighting is proposed to be introduced into Hulugar, Kadaba and Nonamukere at a cost of 33,100,150 respectively. A Similar proposal exists,

in 1895-96 was vetoed on the ground of poverty of the municipalities of Kadaba and Kowanur-kere. It is not clear how much of the estimate is for purchasing lamps, which is not a recurring item, and how much for maintenance of the lights. Final orders will be issued as to the retention of these items after receipt of the information regarding which the estimate will stand. The increases provided for some of the towns where lighting arrangements now exist are approved,

increased provisions
made under this head
on account of works
to be executed in the
several towns are passed.
(Vide details in appendix 6)

13. IX Charitable
Grants. The decrease
under Lunel Hospital
at Lunkur is due to the
grants of charges hitherto
debited to Municipal funds
having been transferred
to the Provincial Medical
Budget under Government
Proceedings dy 18th July 1895
No: 912-6
2 927-93

The increased provision
made on account of the
cost of establishments

and other charges of the dispensary for women and children at Tumkur is in accordance with Govt. Proceedings noted in the margin; but the necessity for the repetition of provision for furniture in some of the budgets for 1896-97 requires explanation. Pending information, the provisions will stand.

[1896 X Education. The decrease of Rs. 60/- under this head in the Budget of the Kovalagere Municipality is due to the transfer to the Education

English school which was hitherto maintained by a grant-in-aid from Municipal funds. The sums entered in this and other towns under Education represent the contributions made from Municipal funds towards the cost of Primary and Secundary Vernacular schools &c in them and are passed

(15) ~~XI~~ Miscellaneous.

The only item calling for notice under this head is "Repayment of loan",

under which Rs: 5,700/- was entered in the Budget of Tumkur for 1895-96, while the same is omitted in the present Budget for the reason given in para 7 Supra.

(16). The other items call for no remarks.

RECEIPTS.

2. *Octroi.*—The estimate under this head includes Rs. 500 expected from kerosine-oil and tobacco in Tumkur ordered to be brought under taxation in Government Proceedings, dated 24th January 1896, No. 8526-7—L. F. 73-95, and is passed. The estimate under "Sheep and goats" in the Tumkur town hitherto entered under octroi is now brought under "X. Miscellaneous" on the ground that the tax levied is a fee on each head of animal slaughtered. The item would more appropriately find a place under "III. License receipts, (*b*) Other license" to which head it is accordingly transferred.

3. *II. House Tax.*—The increase expected under this head in Tumkur from the western extension of the town and from the proposed inclusion of a village within its limits is retained, pending the issue of final orders in regard to the proposal last mentioned. With reference to the increase in Holavanhalli expected by taxing vacant building sites, a separate reference should be submitted, stating the principle upon which house sites are taxed in this and other towns and the sums annually realized or expected to be realized from such taxation.

4. *III. License Receipts, (b) Other Licenses*—A sum of Rs. 300 will be entered under this head in the budget of Tumkur on account of the slaughter house fees referred to in para 2 *supra*.

5. *VII. Mohatarfa.*—The variations in the estimates of the several town under the sub-heads of "Shop," "Loom" and "Oil-mill" taxes are stated to have been based upon the jamabandi accounts for 1895-96, the increase under the remaining sub-head of "Carts," being due to agricultural carts having been newly *brought under taxation. The estimates are sanctioned.

*Proceedings No. 24641-50—R. F. 245-92, dated 25th June 1895.

6. *X. Miscellaneous.*—Under "(*a*) Sale of houses and lands" in Tumkur there is a large decrease of 5,850, the reason being that in 1895-96 a large amount was expected by the sale of sites in the southern extension which is not likely to recur in 1896-97. The estimate is approved. The omission of any estimate under "Sale of manure" in Turuvekere, with reference to the fact that in 1895-96, Rs. 5 was estimated for from this source, requires explanation. For reasons given in para 2 above, the estimate of Rs. 300 under "Slaughter house fees" in the budget of Tumkur will be transferred to "III. License receipts." The sum payable by the Public Works Department to the Tumkur municipality for the maintenance of the Provincial and District Fund roads within the municipal limits is Rs. 1,515, whereas the amount entered in the budget of the town is Rs. 1,532, or Rs. 17 more. The source from which the excess is expected should be stated.

EXPENDITURE.

7. *I. Interest on Debt.*—No provision has been made under this head in the present budget of Tumkur, as the whole amount of loan is expected to be repaid before the close of the current year.

8. *II. Head Office.*—The provision made under this head in the several budgets comprises the following items:—

		Rs.
(1)	Contribution to Dewan's and Comptroller's office establishments ...	337
(2)	District office establishment consisting of two clerks, one on Rs. 15 and another on Rs. 10, with 1 rupee for contingencies ..	312
(3)	Travelling allowances to ditto	119
(4)	Furniture	67
(5)	Overseer	300
		1,135

Excepting item 5, which is debitable entirely to the municipality of Tumkur, the other items amounting to Rs. 835 will be distributed among the several municipalities in the district in proportion to receipts as shown below:—

III. Collection.—The increase under this head is due to the provision made for the salary of a mutsaddi on Rs. 7 per mensem, the inclusion of which in the budget was authorized in Government Proceedings, dated 20th March 1896, No. 10830-1—L. F. 73-95. The increase is sanctioned.

10. *IV. Conservancy.*—The following increases are provided for under this head in the budgets under review :—

		Increase. Rs.	Decrease. Rs.
(1)	Tumkur—Increase of peon's pay from 5 to 6 Rs.	12	
	2 additional sweepers on 6 rupees each	144	
	1 Do conservancy cart at 12 Rs.	144	
		300	
(2)	Gubbi—1 Additional sweeper on 5 rupees per mensem	60	
(3)	Maddagiri—2 Do	120

(5)	Chiknayakanhalli—Decrease under purchase of dust-bins		
(6)	Kunigal—Increase of peon's pay from 6 to 7 rupees per mensem	12	
	In lieu of the provision in 1895-96 of Rs 120 for dust-bins and wheel-barrows, a conservancy cart on 12 per mensem is to be employed and dust bins purchased for Rs 56	80	92
(7)	Kadaba—Increase under bins from Rs. 36 to 80 or Rs. 44		
(8)	Holavanhalli—Instead of a peon on 3 rupees and 3 sweepers at 3 rupees each per mensem, allowance to shanbhog or patel for supervision at Rs 2, and 2 sweepers on Rs. 5 each is proposed with an additional sweeper on Rs. 5 per mensem	60	

The revision proposed in the subsisting scale of servants at Holavanhalli was sanctioned in Government Proceedings, dated 12th November 1895, No. 5716-7—L. F. 166-94, but no special sanction has been obtained in respect of any of the increases above proposed. The proposals however will be sanctioned as a special case with the remark that no increase or additional hand should in future be provided for in the annual budget without the previous sanction of Government obtained on a separate reference as required in Government Proceedings, dated 8th December 1889, No. 6861-70—157.

11. *VII. Lighting.*—Lighting is proposed to be introduced into Huliyar, Kadaba and Nonavinkere at a cost of Rs. 33. 100, 150, respectively. A similar proposal made in 1895-96 was vetoed on the ground of poverty of the municipalities of Kadaba and Nonavinkere. It is not clear how much of the estimate is for purchasing lamps, which is not a recurring item, and how much for maintenance of the lights. Final orders will be issued as to these items after receipt of the information required above; meanwhile the estimate will stand. The increases provided for some of the towns where lighting arrangement now exist are approved.

12. *VIII. Public Works.*—The increased provisions made under this head on account of works to be executed in the several towns are passed (*vide* details in Appendix C).

13. *IX. Charitable Grants.*—The decrease under "Civil Hospital" at Tumkur is due to the quota of charges hitherto debited to Municipal Funds having been transferred to the Provincial Medical budget under Government Proceedings, dated 18th July 1895, No. 912-6—L. F. 27-93. The increased provision made on account of the cost of establishments and other charges of the dispensary for women and children at Tumkur is in accordance with Government Proceedings noted in the margin*; but the necessity for the repetition of provision for furniture in some of the budgets† for 1896-97 requires explanation. Pending information, the provisions will stand.

14. X. *Education.*—The decrease of Rs. 60 under this head in the budget of the Koratagere municipality is due to the transfer to the Education Department of the English school which was hitherto maintained by a grant-in-aid from Municipal Funds. The sums entered in this and other towns under "Education" represent the contributions made from Municipal Funds towards the cost of Primary and Secondary Vernacular schools &c. in them and are passed.

15. *XI. Miscellaneous.*—The only item calling for notice under this head is "Re-payment of loan," under which Rs. 5,700 was entered in the budget of Tumkur for 1895-96, while the same is omitted in the present budget for the reason given in para 7 *supra*.

16. The other items call for no remarks.

17. The budget estimates of the several municipalities of the Tumkur district for 1896-97 are as shown in the accompanying appendices of which an abstract is given hereunder:—
